

Ms. Theda ~

Do you ever
bump into Mr. Harry
Hardin where you are
+ could you bring him around to say "hello"??

How do people
love in the
other world?

What is

The meaning
of Life

Are you
cold or
warm?

Are things so
very different
over there?

Should I be scared
to die?

How did you die?

Douglas Fairbanks
told me that
Mary Pickford is
a bitch ... do
you agree?

Dearest + Miss Barah,
Please
tell me
how your
love life was
and your
sex life -
did you have
many lovers?

WHO WAS
YOUR ONE
TRUE LOVE?

Is the afterlife
an enjoyable place
to exist?

Can you describe it for
us? Please.

THEA -

DO YOU KNOW IF A PRINT

working
actor?

Dear Theda,
I hope you are well -
And also - how is the
beyond? Does everyone
live there? Even animals?
I'm concerned about my grandparents
& my dogs Nourika & Libbyette.

Thank you
for your letter
Fabienne

Will I get the

Ms. Baza,
Do you experience time
in the same manner as we
mortals do?
Can you see the future?
If so, will Saddam be
found?

Who was your
favourite female
lover? Is she
with you?

ASK QUESTION LATER?

Who was your
favourite female
lover? Is she
with you?

Have you met any
exciting new men in
the afterlife or do you
no longer have interest
in new conquests?

How do you travel
in the afterlife?
Are you still as gracefull
now as when you were living?

THEDA VERA,
WHAT WAS THE CAUSE
OF YOUR DEATH?

What do you miss
the most about
mortal, corporeal
life?

MS. BARA & THE BEYOND

YOU DIE? DO YOU REALLY
GO INTO THE WHITE
